Rhinoplasty

Consistency and Excellence

Friday 12th August 2022

Tanta University Center for Conferences and Celebrations

Faculty of Medicine, Tanta University

ESPRS CME 15 Points

In Collaboration with Egyptian Society of Plastic and Reconstructive Surgeons

Tanta University

Golden jubilee 1972-2022

Welcome Message:

Dear Friends & Colleagues, it is my great pleasure to inform you that initial necessary efforts have been successfully made for organization of the 7th Annual Conference of Tanta University plastic surgery department about "Rhinoplasty; consistency and excellence", which will be held on Friday August 12th, 2022 at Tanta university center for conference and celebration. This one-day scientific program has been planned to deliver a structured and systematic instruction covering a comprehensive range of topics in most aspects of Rhinoplasty Surgery. The scientific program of the conference also leaves a wide space for the professionals to present the latest achievements and experiences in the field of basic sciences as well as modern techniques, and surgical protocols and different approaches. The participants will benefit from the wealth of experience offered by our outstanding international, regional and national faculty. We are fortunate to have internationally renowned Pioneers Plastic Surgeons, where discussions by our expert faculty will help delegates to consolidate their understanding of some of the common problems encountered during analysis, planning and execution of rhinoplasty.

Tanta is a lively city buzzing with excitement and has many historical and modern architectural landmarks. It is a paradise for gourmands and offers a wealth of experiences that will help you to have a memorable visit in this garden city. I would also like to express my appreciation to our staff and ESPRS and its distinguished board for the great collaboration and enormous support. I look forward to seeing you at the 7th Annual Conference of Tanta University.

Plastic surgery department in Tanta.

Regards

Prof., Ehab F. Zayed
