

'El Mamlaka Airport, Cairo

6-7 October, 2022

Sohag Plastic Surgery Department and Phoniatrics Unit,

Sohag University in collaboration with

The Egyptian Society of Plastic & Reconstructive Surgeons

# The 1<sup>st</sup> Egyptian Conference of Cleft Lip and Palate (ECCLP)

*" Egypt's Largest Multidisciplinary Cleft Conference Uniting  
Surgical and Non-Surgical Specialities "*

*Prominent National & International Experts*

مركز سوهاج لجراحة الوجه والرأس  
SOHAG CRANIOFACIAL CENTRE

FOR MORE INFORMATION : [www.pico-eg.org](http://www.pico-eg.org)

+20 102 065 2611

# **DAY-1: Thursday 6<sup>th</sup> Oct.**

## **Scientific Program**

**08:00-08:45:** *Registration*

**08:45-09:00:** *Opening Ceremony*

**09:10 - 13:45 (Hall A)**

**(Plastic Surgery + Phoniatrics):**

### **Session I (Velopharyngeal Incompetence VPI)**

#### **Speakers:**

**09:10 - 09:25:** Sohag cleft and craniofacial center from development, mastering techniques to innovations (15 min).

**Prof. Samia Saied** *(Plastics, Sohag University)*

**09:25 - 09:35:** Efficient visualization of VPI in patients with cleft lip and palate (10 min)

**Ass. Prof. Iman El-Rouby** *(Phoniatrics, HSI)*

**09:35 - 09:45:** Speech management protocol at Sohag university (10 min)

**Dr. Ahmed Elsaid** *(Phoniatrics, Sohag University)*

**09:45 - 10:10:** Overview of VPI diagnosis

Speech considerations with fistulae (25 minutes)

**Dr. Sylvie Render** *(Phoniatrics, USA)*

**10:10 - 10:20:** Buccinator re-repair (Bs + Re: IVVP) for VPI (10 min)

**Dr. Ahmed Salah Mazeed** *(Plastics, Sohag University)*

10:20 - 10:30:	Assessment of radical muscle dissection and buccal myomucosal flaps in management of velopharyngeal insufficiency in patients with cleft palate (10 min)
	<b>Dr. Rasha Essa</b> <i>(OMF, Ain Shams University)</i>
10:30 - 10:45:	Pharyngeal flaps and sphincter pharyngoplasty as basic techniques for management of velopharyngeal disorders Mahrous novel pharyngoplasty technique (15 min)
	<b>Prof. Ahmed Mahrous</b> <i>(Plastics, Minia University)</i>
10:45 - 10:55:	Pharyngeal flap for a poorly repaired cleft palate with posterior palatal defect (10 min)
	<b>Prof. Asmaa Abdelhameed</b> <i>(Phoniatrics, Cairo University)</i>
10:55 - 11:05:	Surgical management of velopharyngeal dysfunction in patients with cleft palate (10 min)
	<b>Dr. Aseel Abdulwahed Asar</b> <i>(OMF, Ain Shams University)</i>
11:05 - 11:30:	Sommerlad VPI protocol (25 min)
	<b>Prof. Brian Sommerlad</b> <i>(Plastics, UK)</i>
11:30 - 11:50:	University of Alabama at Birmingham (UAB) VPI protocol (20 min)
	<b>Prof. John Grant</b> <i>(Plastics, USA)</i>
11:50 - 12:00:	VPI protocols dilemma: towards an evidence-based and patient-centered VPI management (10 min)
	<b>Prof. Ahmed Elsherbiny</b> <i>(Plastics, NGHA and Sohag University)</i>
12:00 - 12:15:	<b>Q&amp;A</b>
12:15 - 13:15:	<b>(Plastic Surgery + Phoniatrics): VPI case presentations and discussion (60 min)</b>

13:15 - 13:45: **Coffee Break**

**13:45 – 16:55** (Hall A)

**(Plastic Surgery)**

**Simultaneous Session II (Primary Cleft Surgery and Techniques)**

**Speakers:**

- 13:45 - 13:55: Rare presentation of tri-lobed tongue with Pierre Robin sequence: case report (10 min)  
**Dr. Ahmed Maki Merza** *(OMF, Iraq)*
- 13:55 - 14:05: Cleft lip repair: the way I do it  
**Prof. Karam Allam** *(Plastics, Sohag University)*
- 14:05- 14:15: Unilateral cleft lip nose repair: concept of junctional zone repair, series of 400 cases (10 min)  
**Prof. Ehab Zayed** *(Plastics, Tanta University)*
- 14:15 - 14:25: Unilateral cleft lip (10 min)  
**Prof. Abdo Darwesh** *(Plastics, Minia University)*
- 14:25 - 14:35: Unilateral Cleft Lip: Personal experience (10 min)  
**Prof. Karam Allam** *(Plastics, Sohag University)*
- 14:35 14:45: Ideas and concept of bilateral cleft lip (10 min)  
**Prof. Ikram Saif** *(Plastics, Ain Shams University)*
- 14:45 - 14:55: Cleft lip nose  
**Prof. Mostafa Elsonbaty** *(Plastics, Assiut University)*
- 14:55 - 15:05: Primary cheilo-rhinoplasty: is it still a valid option in our practice? (10 min)  
**Prof. Ahmed Abou Hashim** *(Plastics, Zagazig University)*
- 15:05 - 15:15: Mastering cleft lip rhinoplasty (10 min)  
**Prof. Mohamed Amin Saleh** *(Plastics, Ain Shams University)*
- 15:15 -15:25: Primary alveolar cleft repair using cancellous bone graft (10 min)  
**Prof. Mahmoud Amin** *(Plastics, Al-Azhar University)*
- 15:25 -15:35: Cleft palate repair (10 min)  
**Prof. Mohamed Elshazly** *(Plastics, Assiut University)*

- 15:35 -15:45:** Lateral approach to dissection of the levator muscle in primary and secondary palatoplasty (10 min)  
**Prof. John Grant** *(Plastics, USA)*
- 15:45 -15:55:** Late repair of un-operated primary cleft lip and palate (An Overview) (10 min)  
**Prof. Ayman Shaker** *(Plastics, Ain Shams University)*
- 15:55 -16:05:** My approach for closure of wide clefts of the lip and palate  
**Prof. Ayman Shaker** *(Plastics, Ain Shams University)*
- 16:05 -16:15:** Double opposing Z-plasty combined with buccal myomucosal flap in repair of wide cleft palate (10 min)  
**Prof. Helmy Shalaby** *(Plastics, Tanta University)*
- 16:15 -16:25:** Optimizing design and mobility of palatal flaps in repair of wide cleft palate (10 min)  
**Dr. Mohamed Hany Abouarab** *(Plastics, Alexandria University)*  
**Prof. Adham Farouk**
- 16:25 -16:35:** Fibrin glue in management of wide cleft palate (10 min)  
**Prof. Mahmoud Abdelrahman** *(Plastics, El-Sahel Hospital)*
- 16:35 -16:45:** Buccal fat flap in cleft palate repair  
**Prof. Karam Allam** *(Plastics, Sohag University)*
- 16:45 -16:55:** Submucous cleft palate  
**Prof. Khaled Hassan** *(Plastics, Minia University)*

**LUNCH**

**13:45 - 17:00 (Hall B)**

**(Phoniatics):**

**Simultaneous Session II (Speech Assessment in Cleft Patients)**

**Speakers:**

**13:45 -14:30:** Differential Diagnosis of Velopharyngeal Dysfunction (VPD)  
Speech Considerations in the Setting of Oronasal Fistulae (45 min)  
**Dr. Sylvie Render** *(Phoniatics, USA)*

**14:30 -14:45:** Assessment of palate in adenoid patients (15 min)

**Prof. Ahlam El-Adawy** *(Phoniatics, Sohag University)*

**14:45 -15:00:** Factors affecting the therapeutic outcome in patients with velopharyngeal dysfunction (15 min).  
**Prof. Amal Saeed Quriba** *(Phoniatics, Zagazig University)*

**15:00 -16:00:** Speech assessment at Sohag University, questions, and discussion, speech cases" speech samples, analysis and scores.

**Sohag Team**

**16:00 -17:00:** Q&A

## **DAY-2: Friday 7th Oct.**

**09:00 - 11:30 (Hall A)**

**(Plastic Surgery + Orthodontics)**

### **Simultaneous Session III (Presurgical Orthopedics and NAM)**

#### Speakers:

- 09:00 - 09:10:** Gene discovery for cleft lip and cleft palate by exome sequencing of multiply-affected consanguineous Palestinian families (10 min)  
**Prof. Hashem Shahin** *(Bethlehem, Palestine)*
- 09:10 - 09:20:** Orthodontic prospection area in interdisciplinary cleft lip & palate team (10 min).  
**Dr. Mohnsa Abderrazik** *(Orthodontics, Al-Azhar University)*
- 09:20 - 09:30:** Overview and treatment protocol for cleft lip and palate (10 min).  
**Dr. Najla AlRejaye** *(Orthodontics, NGHA, Saudi Arabia)*
- 09:30 - 09:40:** The Egyptian experience with the Tubingen palatal plate in an infant born with Pierre Robin sequence (10 min)  
**Ass. Prof. Noha Ibraahim** *(Orthodontics, Ain Shams University)*  
**Abdelrahman**
- 09:40 - 09:50:** Should all children with bilateral cleft lip&/or palate be treated equal? (10 min).  
**Ass. Prof. Noha Ibraahim** *(Orthodontics, Ain Shams University)*  
**Abdelrahman**
- 09:50 -10:00:** Management of severely deviated premaxilla in complete bilateral cleft lip and palate neonates (case report) (10 min).  
**Dr. Rehab Abdallah** *(Prosthodontics, Tanta University)*
- 10:00 -10:10:** Prosthetic rehabilitation of lip and palate deformities in neonates using two different approaches (10 min).  
**Dr. Rehab Abdallah** *(Prosthodontics, Tanta University)*
- 10:10 -10:20:** Pre-surgical management of infants with unilateral and bilateral cleft lip and palate (10 min).  
**Prof. Mosleh Alharbi** *(Orthodontics, NGHA, Saudi Arabia)*

**10:20 -10:30:** NAM Therapy: essentiality and factors of success? (10 min).  
**Dr. Mona Sabry** (*Prosthodontics, Alexandria University*)

**10:30 -10:40:** Exclusive surgical nasal correction, is NAM essential for optimum results? (10 min).  
**Prof. Ahmed Elsherbiny**      *(Plastics, NGHA and Sohag University)*

**10:40 -11:30:** NAM: conventional and computer-aided, case presentations and discussions (50 min).  
**Dr. Angie Zaki-Sabet**                           **(Orthodontics, USA)**

**11:30 -12:30:** Gomaa Prayer and coffee break

09:00 - 11:30 (Hall B)

### **(Phoniatrics):**

## **Simultaneous Session III** (VPI Evaluation, Analysis and Scoring)

## Speakers:

- 09:00 -10:00:** Nasoendoscopy minicourse with case presentation(60 min)  
*Sohag phoniatrics team*

**10:00 -10:30:** Videofluoroscopic speech studies: considerations & interpretation (30 minutes)  
*Dr. Sylvie Render (Phoniatrics, USA)*

**10:30 -11:30:** Videofluoroscopy Sohag protocol, how to read lateral video fluoroscopy record (60 min)  
*Sohag phoniatrics team*

**11:30 -12:30:** Gomaa Braver and coffee break

**12:30 - 16:45 (Hall A)**

**(Plastic Surgery+ Orthodontics)**

**Simultaneous Session IV (ABG, Orthodontics and Orthognathic Surgery)**

**Speakers:**

- 12:30 -12:40: Evaluation of computer-guided alveolar cleft reconstruction in cleft lip and palate patients (10 min)  
**Dr. Mohammad Moheyeldin** *(OMF, Mansoura University)*
- 12:40 -12:50: Stem cell regeneration in alveolar cleft repair (10 min)  
**Prof. Hatem Alahmady** *(AL-Azhar University)*
- 12:50 -13:00: The effect of photo-biomodulation therapy in alveolar cleft grafting (randomized controlled trial) (10 min)  
**Dr. Dina Diab** *(OMF, Ain Shams University)*
- 13:00 -13:10: Is alveolar cleft bone grafting the only solution? Suggesting an algorithm for management of alveolar defects (10 min)  
**Prof. Marwa Elkasaby** *(OMF, Ain Shams University)*
- 13:10 -13:20: Tooth-borne interdental distraction osteogenesis along arch curvature for wide alveolar cleft  
**Dr. Marwa Fathy** *(Orthodontics, Ain Shams University)*
- 13:20 -13:30: distractor for management of wide unilateral alveolar clefts or failed grafting (10 min)  
**Prof. Fady Hussein Fahim** *(Orthodontics, Cairo University)*
- 13:30 -13:40: Trans-alveolar distraction osteogenesis for rehabilitation of patients of patients with cleft palate  
**Prof. Ahmed Medra** *(OMF, Alexandria University)*  
**Prof. Hassan Mousa** *(Ortho., Alexandria University)*  
**Dr. Ammar Medra** *(OMF, Alexandria University)*
- 13:40 -13:50: Management of skeletal defects secondary to cleft lip and palate  
**Prof. Ahmed Medra** *(OMF, Alexandria University)*  
**Dr. Ammar Medra**
- 13:50 -14:00: Composite correction of cleft midfacial deformity (10 min)  
**Prof. Fouad Ghareeb** *(Plastics, Menofeya University)*

- 14:00 - 14:10: A simple dental prosthetic approach for maxillary deficiency in cleft patients.  
**Prof. Emad Helmy** *(Cairo University and Nasser Institute)*
- 14:10 -14:20: Virtual 3D planning in management of maxillary hypoplasia for cleft patient (10 min)  
**Prof. Mohamed Osama Ouf** *(Plastics, Al-Azhar University)*
- 14:20 -14:30: Difficulty of cleft maxillary orthognathic surgery: a proposed grading system (10 min)  
**Dr. Ramy Gaber** *(OMF, Ain Shams University)*
- 14:30 -14:40: Modified Le Fort I maxillary osteotomy in patients with cleft lip and palate (10 min)  
**Dr. May Helal** *(OMF, Alexandria University)*
- 14:40 -14:55: Segmental orthognathic surgery in the management of cleft-associated dentofacial deformity and persistent oronasal fistula (15 min)  
**Dr. Timothy Sng** *(OMF, Singapore)*
- 14:55 -15:25: **Q&A, Case discussion**

15:25 -g1 0 0 RC

**12:30 - 15:15 (Hall B)**

**(Phoniatriics)**

## **Simultaneous Session IV (Speech Therapy Techniques for VPI Patients)**

### **Speakers:**

**12:30 -12:45:** The Effect of muscles exercise on velopharyngeal gap and nasality (15 min)

**Ass. Prof. Elham Magdy Hassan**      *(Phoniatriics, Zagazig University)*

**12:45 -13:00:** Nasality Speech Therapy (15 min).

**Dr. Rasha Abd Al-Rhman Alasheery**      *(Phoniatriics, Fayoum University)*

**13:00 -13:30:** Speech therapy for velopharyngeal mislearning (30 minutes).

**Dr. Sylvie Render**      *(Phoniatriics, USA)*

**13:30 -14:30:** **Panel Discussion (45 min).**

### **Moderator:**

**Prof. Ahlam El-Adawy**      *(Phoniatriics, Sohag University)*

### **Panellists:**

**Prof. Mohamed Aly Saad Baraka**      *( Phoniatriics , Ain Shams University)*

**Prof. Mona Hagazy**      *( Phoniatriics , Ain Shams University)*

**Dr. Sylvia Render**      *( Phoniatriics , USA)*

**Prof. Nirvana Hafez**      *( Phoniatriics , Ain Shams University)*

**14:30 -15:15:** **Q&A (45 min).**

**15:15 -15:45:** **Lunch**

**16: 5 - 18:30** (Hall A)

**(Plastic Surgery)**

**Simultaneous Session V (Secondary Cleft Surgeries and Palatal Fistula)**

**Speakers:**

- 16:45 -16:55: Abbes flap: the solution for tight upper lip in adolescent patients with bilateral cleft lip (10 min).  
**Prof. Marwa Elkassaby** *(OMF, Ain Shams University)*
- 16:55 -17:05: Scar revision in post cleft lip nose (10 min)  
**Dr. Islam Kassem** *(OMF, Al-Alamin Hospital)*
- 17:05 -17:15: Optimizing the result of cleft lip nose deformity. Step by step with featured video cases (10 min).  
**Prof. Khaled Nowair** *(Plastics, Al-Mahalla General Hospital)*
- 17:15 -17:25: Component restoration in the unilateral intermediate cleft lip rhinoplasty  
**Prof. Wael Ghanem** *(Pediatric surgery, Ain Shams)*
- 17:25 -17:35: Inverted V-Y and fibrofatty Flap technique for columellar lengthening and tip augmentation in post bilateral cleft lip nasal deformity (10 min).  
**Prof. Mohamed Hosny khalifa** *(Plastics, Al-Azhar, University)*
- 17:35 -17:45: Surgical techniques for palatal fistula repair (10 min).  
**Dr. John Grant** *(Plastics, USA)*
- 17:45 -17:50: Buccal myomucosal flaps: the easy and the versatile (5 min)  
**Prof. Marwa Elkasaby** *(OMF, Ain Shams University)*
- 17:50 -17:55: Outcomes of facial artery musculomucosal flap (FAMM) in repair of post palatoplasty fistula (5 min).  
**Prof. Ahmed Ali** *(Plastics, South Valley University, Qena)*
- 17:55 -18:05: Cocaine fistula management, the resurrection of old technique (10 min).  
**Dr. Hamed Shaheen** *(OMF, Nasser Institute)*
- 18:05 -18:30: **Q&A, discussions (35 min).**

16:45 - 18:00 (Hall B)

### **(Orthodontics):**

## **Simultaneous Session V (NAM Workshop)**

## Speakers:

**16:45 -18:00:** NAM WORKSHOP step-by-step

**Dr. Angie Zaki-Sabet** (Orthodontics, USA)
